**LOOK   SAY   COVER   WRITE   CHECK**

To parents:

This spelling homework is based on the Linguistic Phonics Programme that helps children explore words based on their sounds. Book 2 focuses on single-syllable, non-CVC (Consonant, Vowel, Consonant) words (e.g. VCC, CVCC, CCVC), where a single letter represents a single sound. Help your child to learn how to spell these words by using the LOOK, SAY, COVER, WRITE, CHECK method:

- the children **look** at the word
- they **say** it aloud
- they **cover** it
- then they **write** it
- finally, they **check** to see if they got it right

Your child may not say the name of the letter, but rather the sound it makes, this is OK. Each stage builds on the work of the previous stage, so hopefully your child will have the confidence to try to spell any new words as she/he works through the programme.
