

# Sórtáilte

Clár Litrithe  
Leabhar 1

Ainm \_\_\_\_\_ Rang \_\_\_\_\_

## A Thuismitheoir:

Leanann an Clár Litrithe Obair Bhaile seo cur chuige Fónaic Theangeolaíochta a chuireann béisim ar an chéad dul síos ar na fóinéimeanna (fuaimeanna aonaracha) i bhfocail agus iarrann sé ar na daltaí na graiféimeanna éagsúla (litreacha aonarach nó grúpaí litreacha) a dhéanann na fuaimeanna sin. Trí fhocail a fhiosrú agus de réir mar a chuireann na daltaí aithne ar na an Ghaeilge, bionn an fhios ag na daltaí go dtéann patrún nó grúpaí litreacha le chéile leis na fuaimeanna difriúla sa Ghaeilge agus úsáideann siad an t-eolas seo le 'trial a bhaint' as focail a litriú dóibh féin. Ag brath ar an mhúinteoir s'acu, seans go n-úsáidfidh an dalta ainm na litreach nó seans go ndearfaidh siad an fhuaim is coitianta a théann leis an litir sin. Ar aon nós, cibé dóigh a ndeir do pháiste an 'litir', lig di/dó na fuaimeanna sa Ghaeilge a fhiosrú é/í féin.

Ag tógáil ar an obair a rinneadh sa seomra ranga, iarann an leabhar obair bhaile ar na daltaí focail áirithe a shórtáil ag brath ar na graiféimeanna (litreacha aonair nó grúpaí litreacha) a théann leis an sprioc-fhóinéim (fuaim). Seans gur mhaith le do pháiste na focail a fhoghlaim chomh maith, ach ní gá sin; is é atá ar bun againn anseo ná cuidiú leis na páistí aithne a chur ar na graiféimeanna éagsúla (litreacha aonair nó grúpaí litreacha) a théann le gach fónéim agus an muinín a fhorbairt le tabhairt faoi fhocail a litriú mar gheall ar an fheasacht seo. Tá Focal Ard-mhinicíochta san áireamh i gcomhair le habairt deachtaithe a ligfidh do na daltaí an obair fhónaice s'acu a nascadh leis na focail is coitianta sa Ghaeilge.

Táthar ag súil is go mbeidh na daltaí níos tugtha don chur chuige seo agus go bhforbróidh a scileanna litrithe, gan an bhéim chéanna ar fhocail agus patrún a fhoghlaim de ghlanmheabhair. De réir mar a oibríonn na páistí tríd na leabhair, táimid muiníneach go méadóidh an tuiscint s'acu ar fuaimeanna coitianta agus patrún litrithe agus go dtosóidh siad ar an eolas seo a úsáid ina ngnáth-scríbhneoireacht.

*This Homework Spelling Programme follows the Linguistic Phonics approach which places initial emphasis on the phonemes (individual sounds) in words and asks the pupils to explore the various graphemes (individual letters or groups of letters) that make those sounds. Through trial and error, and increasing familiarity, the children learn to associate various letter patterns or groupings with the various sounds that make up the Irish language and use this knowledge to 'have a go' at spelling words for themselves. Depending on the child's teacher, the children may use the letter name or they may simply reiterate the most common sound associated with that letter. Either way, whichever way your child pronounces the 'letter', allow her/him to explore the sounds of the Irish language him/herself.*

*This homework book, therefore, following on from the work carried out in class, simply asks the pupils to sort out the various words depending on the various graphemes (individual letters or letter patterns) associated with the target phoneme (sound). Your child might want to learn the words as well, but that is not essential; what we are aiming for is that each child becomes familiar with the various graphemes (individual letters or group of letters) associated with each phoneme (sound) and develop the confidence to try to spell words based on this familiarity. We have included some High Frequency Words as well as a sentence for dictation which will allow the pupils to integrate their phonic work with the more common words that occur most frequently in the Irish language.*

*Hopefully, this spelling programme will engage the pupils more in learning to spell well, with less of an emphasis on rote learning of words and patterns. As the children work through each of the books, we are confident that their knowledge of common sounds and spelling patterns will increase and they will begin to use this knowledge naturally in their everyday writing.*

Conor McPhillips
